## FRANKIE'S FAFF

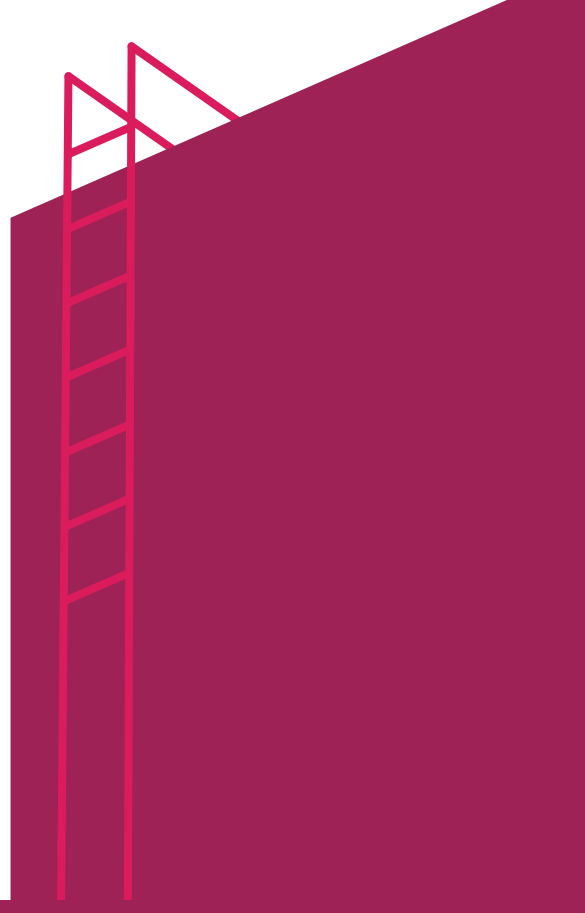

## FAFF FREE!

- Frankie hadn't looked at the PPE kit in years.
✓ We advised Frankie what regulations there were on PPE, what he needed to check and at what intervals.
- Frankie wanted to know who could supervise Jack's scaffolding job.
✓ We gave Frankie information on the level of competence needed to supervise.
- Frankie needed to scope out the health & safety requirements for a new job.
✓ We showed the frameworks he needed to work in.
- Frankie needed to understand what a RAMS document was.
✓ We explained the document and got him using it.
